

Ever thought of hiring an acting CISO for quick actions whilst you source a new CISO?

Your CISO has resigned or been moved out of role for lack of delivery

Your security is underperforming

You need things fixed now

We bring in seasoned, battle-hardened, highly successful individuals, for a short period of time

Our 'seasoned professionals' implement short term fixes and solutions whilst planning for long term sustainable change in the security of your business

We ensure knowledge transfer and make ourselves redundant in as short a time as is feasible

OUR HOURS ARE YOUR YEARS

Bring in an interim 'battle-hardened professional' CISO for 6 months

Let them fix the urgent issues and have an action plan for the longer-term issues

Let them ensure alignment of security delivery with the business strategy

Let them assist in the search for a suitable fulltime CISO and ensure handover
